Removal of Asbestos from Chevron Plant 165 Piping

Dear Mr. Moody:

Please find attached the notification form for the removal of approximately 350 Ln Ft of insulation in Chevron Plant 165. Removal is required to allow for inspection of piping.

The removal of asbestos from this area is projected to start on October 29, 2018 and be completed by December 13, 2018 by Brock Services LLC, a certified asbestos company.

If you have any questions or comments regarding this notification please call me at (228) 934-7553.

Sincerely,

Kevin Abernethy
