

STATE OF MISSISSIPPI  
TATE REEVES  
GOVERNOR

MISSISSIPPI DEPARTMENT OF ENVIRONMENTAL QUALITY  
Chris Wells, Interim Executive Director

June 2, 2020

Mr. Billy Don Baker  
Baker Ready Mix & Construction LLC  
11000 Highway 15 South  
Louisville, MS 39339

Dear Mr. Baker:

Enclosed is Mississippi Surface Mining Permit P20-002, which grants you permission for surface mining operation in Winston County.

The new format of this permit is similar to other permits issued by the Mississippi Department of Environmental Quality and is designed to state the general provisions of the Surface Mining and Reclamation of Land statute (law) and the Mississippi Surface Mining and Reclamation Rules and Regulations (regulations), to list the operator's rights and obligations, and list both general and site-specific conditions of this permit. This permit document does not impose any new conditions that did not previously exist under the law and regulations.

You must place a sign (at least 2 feet by 4 feet) adjacent to the nearest public road, stating:

Baker Ready Mix & Construction LLC  
11000 Highway 15 South  
Louisville, MS 39339

Surface Mining Permit P20-002

Baker Mine

Sincerely,

Ron Porter  
Assistant Division Director  
Mining and Reclamation Division
