Please submit the LCNOI form to:

Chief, Environmental Permits Division
MS Department of Environmental Quality, Office of Pollution Control
P.O. Box 2261
Jackson, Mississippi 39225

General Information

This Storm Water Pollution Prevention Plan (SWPPP) is developed in accordance with the Mississippi Department of Environmental Quality Large construction storm water general permit (MSR10) for Storm Water Discharges Associated with Construction Activity, and is prepared using sound engineering practices. WCA Development, involved with the development of this plan, has an on-staff engineer licensed in the State of Mississippi with twenty years of experience in the design of Vegetative and Structural Measures for Erosion Prevention and Sediment Control.

As instructed by Part T-2 of the MSR10, this plan and all attachments are hereby submitted to the Office of Pollution Control, along with the complete, correctly signed Notice of Intent (NOI). Construction will not be initiated on this project prior to 30 days from the date of the submittal of this document, or prior to receipt of a Notice of Coverage (NOC) from the Mississippi Department of Environmental Quality.

Owner or representative: William Adair, Jr. Signature: [Signature] Date: 4/16/18

Primary Contractor: Yancey Construction
30 Milton Drive
Collierville, TN 38017
901-853-6183
Contact Person: Bruce Yancy,

I certify under penalty of law that I have reviewed this document and any attachments. Based on my inquiry of the construction site owner/developer identified above, and/or my inquiry of the person directly responsible for assembling this Storm Water Pollution Prevention Plan, I believe the information submitted is accurate. I am aware that this plan, if approved, makes the above-described construction activity subject to NPDES permit number MSR10, and that certain of my activities on-site are thereby regulated. I am aware that there are significant penalties, including the possibility of fine and imprisonment for knowing violations, and for failure to comply with these permit requirements.
