is proposing to construct and operate a Dry Litter Poultry Animal Feeding Operation (to construct and operate poultry/chicken house(s)). This poultry facility has _____ existing house(s); the applicant proposes to build _____ new house(s). If permitted, the operation of the poultry house(s) will involve the management of dry animal waste and may involve the operation of an incinerator. The operation shall **NOT** have a discharge of process wastewater or contaminated stormwater. The Natural Resource Conservation Service (NRCS) will develop a Comprehensive Nutrient Management Plan (CNMP) to address the management of the animal waste. The CNMP will become an enforceable part of the permit along with other conditions which will allow the facility to operate within all state and federal environmental laws and regulations.

This letter is to provide you notification of the proposed project and to provide you an opportunity to comment regarding **environmental** concerns about the project. **Please be aware that MDEQ only has legal authority to consider environmental issues specified in the applicable laws and regulations. MDEQ does not have jurisdiction to consider any comments regarding zoning, economic, or social impacts (e.g., effect of facility on property values). Comments should be addressed to the local zoning and planning authorities.**

If you do not have **environmental** comments regarding the proposed project, then you need do nothing more. If you have **environmental** comments regarding the proposed project, please notify MDEQ in writing within 17 days after the postmark date of this notification. Please reference the proposed project using the information above and provide your contact phone number and address. If you would like to discuss concerns you may have regarding this project please feel free to contact our office at (601) 961- 5171. Comments are to be mailed to the following address:
