### D. NUTRIENT MANAGEMENT PLAN

If you do not have a current Comprehensive Nutrient Management Plan then one must be submitted, if your CNMP is current then complete the dates below:

Development Date: December 2017    Expiration Date: January 2023

The comprehensive nutrient management plan (CNMP) identified above expires five years from the date it was developed and an updated nutrient management plan must be submitted to MDEQ prior to its expiration date.

This Notice of Intent (NOI) is intended to extend and renew my existing permit coverage, No. MSG201968, which commenced on May 8, 2018, under the Multimedia General Pollution Control Permit for Dry Litter Poultry Animal Feeding Operations, Permit No. MSG20 (General Permit), which was issued February 3, 2014 and expires on January 31, 2019. It is my understanding that MDEQ is still working on the renewal of the General Permit but that it won't be completed and in effect by the January 31 expiration date. Since the present General Permit requires that a NOI be submitted before the General Permit expires, I am filing this NOI prior to the January 31 General Permit expiration date.

### III. CONSTRUCTION AND/OR OPERATION OF A POULTRY MORTALITY INCINERATOR

- ☒ No, there is no poultry mortality incineration equipment located at the facility. If at a future date you wish to construct and/or operate poultry mortality incineration equipment, you must submit an updated DLPNOI by completing Sections IA, III and IV. Constructing and operating poultry mortality incineration equipment without a modified coverage or issuance of individual permits is a violation of state law.

- For a sole proprietorship, by the proprietor.

I understand that my nutrient management plan identified Section II. D. expires five years from the date it was developed and that an updated nutrient management plan must be submitted to MDEQ prior to its expiration date.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

I further certify that the project continues as described in the original notice of intent. Also, I certify that I understand when coverage is terminated I am no longer authorized to operate activities identified under this general permit and to do so without proper permit coverage is in violation of state law.
