Patrick Industries, Inc. dba Baymont Industries Line #3
Belmont, Mississippi (Tishomingo County)

Dear Ms. Rudolph:

Patrick Industries, Inc. dba Baymont Industries Line #3 (Baymont) retained the services of Environmental Compliance & Safety, Inc. (ECS) to prepare the Industrial Stormwater Notice of Intent (ISNOI) forms and a Storm Water Pollution Prevention Plan (SWPPP) for the above-referenced facility. Enclosed you will find the ISNOI forms and SWPPP that reflects facility operations and includes storm water best management practices. This SWPPP has been developed to comply with the Mississippi Department of Environmental Quality (MDEQ) Industrial Storm Water General Permit requirements. The building this process will be operating out of also contains the Baymont Ceramic Tile manufacturing line. While the name identified on the ISNOI form is for the Baymont Line #3 process, this submittal and the enclosed SWPPP is intended to cover both entities operating within the building.

If you have any questions regarding the enclosed ISNOI or SWPPP, please feel free to contact me at (662) 840-5945 or Mr. Mike Stockton of Baymont at (662) 454-7993.

Sincerely,
