Prime Contractor Name (please print): LANE WILLIAMS

Company Name: EUTAW CONSTRUCTION COMPANY, INC.

Mailing Address (Street/P.O. Box): 410 OLD RICHTON ROAD

City: PETAL State MS Zip 39465
Tel. #: (601) 544-0168

Project Name: NEMRWSD RAW WATER FACILITIES - RAW WATER LINES

Physical Project Location: Street: SR 178

City: FULTON, MS County: ITAWAMBA

Date of successful completion of all permanent erosion and sediment controls (site stabilized): 12/01/2020

RESIDENTIAL SUBDIVISIONS: Has another owner(s) or operator(s) assumed control over all areas of the site that have not reached final stabilization? ☐ Yes ☐ No. If no, you may not terminate until all areas have been stabilized. If yes, a copy of the Registration Form for Residential Lot Coverage for each lot or out parcel that has been sold and site map showing which lots have been sold must be submitted with the Notice of Termination of Coverage.

COMMERCIAL DEVELOPMENT: Has another owner(s) or operator(s) assumed control over all areas of the site that have not reached final stabilization? ☐ Yes ☐ No. If no, you may not terminate until all areas have been stabilized. If yes, a copy of site map showing which out-parcels have been sold must be submitted with the Notice of Termination of Coverage.

CERTIFICATION: Based upon inspection(s) of the permitted site which I or personnel under my direct supervision conducted, I certify under penalty of law that construction or disturbance activities have ceased, all erosion and sediment controls have been implemented and maintained, that disturbed soils have been stabilized, all temporary erosion and sediment control measures have been removed and all permanent erosion and sediment controls have been successfully completed. I understand that by submitting this notice of termination, that I am no longer authorized to discharge storm water associated with construction activity by Mississippi's Construction NPDES Storm Water General Permit, and that discharging pollutants in storm water associated with construction activity, not authorized by coverage under Mississippi's Construction NPDES Storm Water General Permit, to waters of the United States is unlawful under the Clean Water Act. I also understand that the submittal of this notice of termination does not release an operator from liability for any violations of Mississippi's Construction NPDES Storm Water General Permit or the Clean Water Act. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.
