Comprehensive Nutrient Management Plan

The Comprehensive Nutrient Management Plan (CNMP) is an important part of the conservation management system (CMS) for your Animal Feeding Operation (AFO). This CNMP documents the planning decisions and operation and maintenance for the animal feeding operation. It includes background information and provides guidance, reference information and Web-based sites where up-to-date information can be obtained. Refer to the Producer Activity document for information about day-to-day management activities and recordkeeping. Both this document and the Producer Activity document shall remain in the possession of the producer/landowner.

RE: Environmental Permits Division

Enclosed is a NOI for Calvin Becker, this farm was previously owned and permitted under Joe Evans (MSG201720). The MMP is still current and does not expire until October 2017; I included a new signature page for the MMP with the current landowner's signature. Should there be any questions please contact the landowner or the Smith County F.O. at 601 782-4294.

Sincerely,

A handwritten signature in blue ink, appearing to read "Nathan Tadlock", with a long horizontal flourish extending to the right.
