Ref. No. MSR002024  
New Albany, Mississippi  
Union County

Dear Mr. Wilson:

Pursuant to the letter from the Mississippi Department of Environmental Quality (MDEQ) dated November 24, 2015, we understand that the Baseline Storm Water General Permit for Industrial Activities (MSR00) was reissued on November 17, 2015. Diversity-Vuteq, LLC (Vuteq) is enclosing a completed *Baseline Storm Water General Permit Re-Coverage Form* and requests that an updated Certificate of Permit Coverage be issued.

Please note that we intend to update Vuteq's Storm Water Pollution Prevention Plan (SWPPP) to reflect the new requirements of the General Permit. Per the instructions provided for re-coverage, we understand that these updates do not need to be submitted to MDEQ as long as the SWPPP is current and effective in controlling storm water pollutants.

If you have any questions concerning the attached information, please feel free to contact me at (662) 840-5945 or Larry Crawford, Jr. of Vuteq at (662) 534-9250.

Sincerely,
