Dear Ms. Rudolph:

Pursuant to your letter, we understand that the Wet Deck Log Spray General Permit for Industrial Activities (MSG17) was reissued on July 31, 2017. Hankins, Inc. (Hankins) has retained the services of Environmental Compliance & Safety, Inc. to prepare the necessary forms for this recoverage. Information regarding the facility name, contact, SIC code, latitude/longitude of the facility, and stormwater outfalls covered by this general permit has been updated and is attached in the recoverage form found in Attachment I. In addition, Proof of Registration with the Mississippi Secretary of State is provided as Attachment II.

Also, please note that per the instructions provided for re-coverage, we understand that expanding facilities are further required by MDEQ to submit a *Re-coverage Form Addendum*. Hankins has not, and is not planning on expanding its Wet Deck operations at this time and therefore, has not completed the Addendum.

If you have any questions concerning the attached information, please feel free to contact me at (662) 840-5945 or James Willingham of Hankins at (662) 837-9286.

Sincerely,
