

State of Mississippi

TATE REEVES

Governor

MISSISSIPPI DEPARTMENT OF ENVIRONMENTAL QUALITY

CHRIS WELLS, EXECUTIVE DIRECTOR

April 12, 2021

Mr. Andrew Donahoe
Green Brothers Gravel Company Inc.
PO Box 1271
Madison, MS 39130-1271

Dear Mr. Donahoe:

Enclosed is Mississippi Surface Mining Permit P18-009AA, which grants you permission for surface mining operation in Copiah County.

The new format of this permit is similar to other permits issued by the Mississippi Department of Environmental Quality and is designed to state the general provisions of the Surface Mining and Reclamation of Land statute (law) and the Mississippi Surface Mining and Reclamation Rules and Regulations (regulations), to list the operator's rights and obligations, and list both general and site-specific conditions of this permit. This permit document does not impose any new conditions that did not previously exist under the law and regulations.

You must place a sign (at least 2 feet by 4 feet) adjacent to the nearest public road, stating:

Green Brothers Gravel Company Inc.
5179 Harmony Road
Crystal Springs, MS 39059

Surface Mining Permit P18-009AA

Green Plant 5 Mine

Sincerely,

A handwritten signature in blue ink that reads "Ron Porter".

Ron Porter
Assistant Division Director
Mining and Reclamation Division
