Re: Permit Request Ready Mix Concrete Plant
Huey P Stockstill LLC, Former Arizona Chemical Site
815 N Beech Street, Picayune, Pearl River County, MS 39466
AIID 911 | RMCGP-MSG11-to be assigned

Dear Chief:

Huey P Stockstill LLC (HPS) desires to obtain a Ready Mix Concrete General Permit (RMCGP) for the above referenced site. HPS owns the 191-Acre parcel of property located within the city limits of Picayune zoned I-2 Heavy Industrial. Prior to HPS obtaining the site, the property was owned by Crosby Sylva Chemical and Arizona Chemical/International Paper. HPS currently operates an asphalt plant with rock crusher on the property. The rock crusher is part of the Hot Mix Asphalt operations and will be managed in accordance with permit requirements/conditions in the general permit. The asphalt plant and ready mix concrete plant are two different facilities and will be operated independent of each other (separate staff & management). Attached for your review and approval are the permit application documents for the proposed ready mix concrete facility as required by the RMCGP:

- Ready Mix Concrete Notice of Intent (RMCNOI)
- City of Picayune Zoning Map - Subject Site Zoned as I-2 Heavy Industrial
- Mississippi Secretary of State Good Standing
- Contiguous Landowner Notifications, Certified Mail Slips, and Property Ownership Information. Postmarked Certified Mail Return Receipts Will be Forwarded to MDEQ Under Separate Cover.
- Storm Water Pollution Prevention Plan (SWPPP)
- Construction Activities will be less than 5-acres and will comply with Small Construction Storm Water Requirements

Please contact me (601-798-2981) or Jay Musgrove (601-818-3558) if you have questions or need additional information. We appreciate your assistance in this matter.

Sincerely,

Huey Stockstill
President
