INDUSTRIAL STORMWATER GENERAL PERMIT MSR00

## INSTRUCTIONS

The submittal of this form is required to receive coverage under the reissued Industrial Stormwater General Permit. This form must be completed and returned to the address printed at the bottom of page 2.

The signatory of this form must be the owner or operator who is the current coverage recipient (rather than the plant/site manager or environmental consultant). The coverage recipient is responsible for permit compliance.

Amendments to the Storm Water Pollution Prevention Plan (SWPPP) are required to be attached if the plan is not current or is ineffective in controlling storm water pollutants.

If the facility is out of business or no longer a regulated facility, please request termination of coverage by completing the Request for Termination (RFT) Form found in the Industrial Stormwater Forms Package.
