LARGE CONSTRUCTION GENERAL PERMIT FOR LAND DISTURBING ACTIVITIES OF FIVE (5) OR MORE ACRES RE-COVERAGE FORM

FOR COVERAGE UNDER MISSISSIPPI'S REISSUED
LARGE CONSTRUCTION STORM WATER GENERAL PERMIT MSR10
GENERAL NPDES COVERAGE NO. MSR10 8477

INSTRUCTIONS

The submittal of this form is required to receive coverage under the reissued Large Construction General Permit. This form must be completed and returned to the address printed at the bottom of the back page of this form by April 30, 2022.

The signatory of this form must be the owner or operator (prime contractor) who is the current coverage recipient (rather than the project manager or environmental consultant).

If the company seeking coverage is a corporation, a limited liability company, a partnership, or a business trust, attach proof of its registration with the Mississippi Secretary of State and/or its Certificate of Good Standing. This registration or Certificate of Good Standing must be dated within twelve (12) months of the date of the submittal of this coverage form. Permits will be issued in the company name as it is registered with the Mississippi Secretary of State.

Amendments to the Storm Water Pollution Prevention Plan (SWPPP) are required to be attached if the plan is not current or is ineffective in controlling storm water pollutants. SWPPP amendments with the sole intent of incorporating new permit conditions do not need to be submitted to MDEQ for review and/or approval.

If the project is complete and final stabilization has been achieved, please request termination of coverage by completing the Request for Termination (RFT) Form found in the Large Construction Forms Package. Projects that continue to discharge storm water associated with construction activity without applicable permit coverage are in violation of state law.

Do not submit this form if submitting a Request for Termination (RFT) Form.

ALL INFORMATION REQUESTS MUST BE ANSWERED (Answer "NA" if not applicable)

COVERAGE RECIPIENT INFORMATION

CONTACT NAME & POSITION: Glen Ulrich, Project Manager

COMPANY LEGAL NAME: Brasfield + Gorrie, LLC

STREET OR P.O. BOX: 1076 Highland Colony Parkway, Suite 375

Dear Mr. Linn:

Re: Magnolia Speech School
Letter of Instruction for Large Construction Re-Coverage
Madison County

The Permit Board on Environmental Quality has reissued the general permit that authorizes the discharge of storm water associated with construction activity. The Large Construction Storm Water General Permit (MSR10) was reissued on February 4, 2022. This general permit authorizes the discharge of storm water from construction sites that disturb five (5) or more acres by clearing, grading, excavating, or other land-disturbing activities. This permit replaces the previous general permit that expired on December 31, 2021. The permit is reissued for a five-year period that will expire on January 31, 2027.

A regulated activity that was granted coverage under the previous general permit may seek recoveage under the reissued general permit. To remain covered under a valid general permit, the coverage recipient must complete the enclosed "Re-Coverage Form" and send it to the indicated address by April 30, 2022. A re-submittal of the Storm Water Pollution Prevention Plan (SWPPP) is not required, even if amendments must be added to meet new permit conditions. However, amendments to the SWPPP must be submitted with the "Re-Coverage Form" if there has been a change in design which may increase the discharge of pollutants to waters of the State or the current SWPPP proves to be ineffective in controlling storm water pollutants.

Forms to transfer the coverage to a new owner or to terminate the coverage if construction activities are completed and the site has achieved final stabilization can be found at: <https://www.mdeq.ms.gov/construction-stormwater/>.

A new Certificate of Permit Coverage will not be mailed to the coverage recipient. Coverage recipients should access and print their Certificate of Coverage from the MDEQ website. Additional information can be found at: <https://www.mdeq.ms.gov/construction-stormwater/>. If a coverage recipient does not have access to the internet, MDEQ will mail a certificate of coverage only upon request. Please keep a copy of the signed and completed "Re-Coverage Form" as proof of coverage until the certificate of coverage can be obtained. The Large Construction Storm Water General Permit and associated forms are available on MDEQ's website at: <https://www.mdeq.ms.gov/construction-stormwater/>.

If you do not have access to the internet or require additional assistance, please contact personnel in the 401/Stormwater Branch at (601) 961-5171.

Sincerely,

Handwritten signature of Florance Bass in cursive.
