Nearest named waterbody which storm water will enter:

Are there any discharges of storm water exposed to industrial activities or allowable non-storm water discharges which do not drain to and discharge from a WDLS recirculation pond? ☐ YES ☒ NO

If yes, a SWPPP is required to be submitted to address this industrial stormwater. The SWPPP is maintained on site and a copy is attached with this form. ☐ YES ☐ NO ☒ N/A

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

I further certify that the project continues as described in the original notice of intent. Also, I certify that I understand when coverage is terminated I am no longer authorized to emit regulated air emissions and discharge wastewater or storm water associated with industrial activity under this general permit. I understand that discharging pollutants associated with industrial activity to waters of the state without NPDES coverage is in violation of state law.

Michael Watson
SECRETARY OF STATE

Office of the Secretary of State
Jackson, Mississippi

Certificate of Good Standing

I, MICHAEL WATSON, Secretary of State of the State of Mississippi, and as such, the legal custodian of the records as required by The Mississippi Registration of Foreign Limited Liabilities Company Act to be filed in my office do hereby certify:

GEORGIA-PACIFIC W&FS (MS) LLC

Registered the 24th day of October, 2012

A Delaware LIMITED LIABILITY COMPANY has filed the necessary documents in this office and has obtained a certificate of registration to do business in this state, under the provisions of The Mississippi Registration of Foreign Limited Liability Companies Act as shown by the records in this office.

I further certify that said Limited Liability Company has filed in this office an appointment of registration for service of process, with written acceptance endorsed thereon, and/or power of attorney, designating its agent and/or attorney for service of process in this State as:

United Agent Group, Inc
232 Market Street , #1600
Flowood, MS 39232

I further certify that said Limited Liability Company has paid the fees for filing the above papers required by law as shown by the records of this office, and that said Limited Liability Company is in good standing to do business in Mississippi at this time.

Given under my hand and seal of office
the 27th day of April, 2022

Certificate Number: CN22137715

DELEGATION OF SIGNATORY AUTHORIZATION
FOR ENVIRONMENTAL DOCUMENTS

Pursuant to, *inter alia*, the applicable requirements of 40 CFR 122.22 and other applicable federal, state and local requirements for signatory authority, I do hereby:

- (a) Delegate to the individuals in the below-listed positions in Georgia-Pacific WFS LLC, a Delaware limited liability company (the "Company"), the authority to sign and submit on behalf of the Company all environmental permit applications, environmental reports (e.g., Tier I/II reports, TRI reports), and all other routine documents and information the submission of which is required by environmental permits or regulations or is required or requested by any federal, state or local environmental regulatory agency having jurisdiction:

David Kurtz	Vice President, Wood & Fiber Operations
Karl Cooper	Region Manager
Troy Cook	Region Manager
Chet Summers	Region Manager
Johnny Rushing	Region Manager
Dan Dedo	Region Manager

- (b) Delegate to the individuals in the below-listed positions in the Company the authority to sign and submit on behalf of the Company only environmental reports or submittals required by any environmental permit (e.g., emission inventories, DMRs) and such other routine information related thereto as is required or requested by the applicable federal, state or local environmental regulatory agency; and only any environmental permit applications the authorization for which is not subject to the limitations on duly authorized representatives set forth in 40 CFR 122.22:

David Kurtz	Vice President, Wood & Fiber Operations
Rand Mathews	Region Manager

Each individual in the above-listed positions is expected to consult with the assigned subject matter expert and/or corporate field environmental engineer, and follow the Company's Government Interaction Compliance Standard, in exercising this authorization.

This authorization is intended to apply to the fullest extent that such authorization is allowed by the organizing documents of the Company and by applicable law and regulation.

This authorization expressly supersedes and replaces that prior authorization, of same title and subject matter, dated August 15, 2017. This authorization shall continue indefinitely until this Delegation of Signatory Authority is expressly amended, superseded, revoked or otherwise terminated; provided, however, that in the event that any individual in the above-listed positions ceases employment with the Company or otherwise ceases to hold one of the above-listed positions in the Company, such individual's authority shall terminate as of the date of such cessation with no further action required by the Company.

As a responsible corporate officer of the Company, I duly make this authorization.

DocuSigned by:

Approved as to legal form: 

WET DECK LOG SPRAY GENERAL PERMIT (WDLSGP) RECOVERAGE FORM

INSTRUCTIONS

All questions must be answered for this Recoverage Form to be considered complete. If an item does not apply, enter "N/A" for not applicable to show that you considered the question.

The applicant must be the owner and/or operator of the property (i.e., the legal entity that controls the facility's operation, rather than the plant/site manager or environmental consultant).

Registration with Mississippi Secretary of State: If the company seeking coverage is a corporation, a limited liability company, a partnership, or a business trust, attach proof of registration with the Mississippi Secretary of State and/or the Certificate of Good Standing (official or unofficial copy). This registration or Certificate of Good Standing must be dated within 12 months of the date of the submittal of this coverage form. Coverage will be issued in the company name as it is registered with the Mississippi Secretary of State.

Submittal Requirements: For recoverage under this general permit, this form must be completed and returned to MDEQ **within 60 days** of the date of the Letter of Instruction for Recoverage. For other NOI submittal deadlines see Condition S-3 of ACT 2, of the WDLSGP. All forms must be submitted online at www.mdeq.ms.gov/wdlsqp or via hard copy to:

Water II Branch Manager, Environmental Permits Division
Mississippi Department of Environmental Quality
PO Box 2261
Jackson, MS 39225-2261

Storm Water from Industrial Activities and the Storm Water Pollution Prevention Plan (SWPPP): Discharges of storm water exposed to industrial activities and allowable non-storm water discharges identified in ACT 1, T-2(6), that do not drain to and discharge from the WDL recirculation pond that were previously covered under the Industrial Stormwater General Permit (ISGP) are now covered under this GP. A SWPPP for these industrial storm water discharges must be submitted with the Recoverage Form. If an electronic copy is submitted, a hard copy should also be mailed to the address above for MDEQ's files.

Storm Water from Construction Activities: Construction activities including clearing, excavating, and other land disturbing activities equal to or greater than one (1) acre but less than five (5) acres require compliance with the Small Construction General Permit and completion of a Small Construction Notice of Intent (SCNOI). Construction activities equal to or greater than five (5) acres require compliance with the Large Construction General Permit and submittal of a Large Construction Notice of Intent (LCNOI). These General Permits, NOIs, and other required forms can be found at the following link: www.mdeq.ms.gov/generalpermits/.

Notice of Termination: If the facility is out of business or no longer active, please request termination of coverage by completing the Notice of Termination (NOT) Form found at www.mdeq.ms.gov/wdlsqp. Facilities that continue to discharge wastewater and/or stormwater without applicable permit coverage are in violation of state law. This Recoverage Form is not required to be submitted if the facility is submitting a request for termination of coverage.
