Are there any discharges of storm water exposed to industrial activities or allowable non-storm water discharges which do not drain to and discharge from a WDLs recirculation pond? YES NO

If yes, a SWPPP is required to be submitted to address this industrial stormwater. The SWPPP is maintained on site and a copy is attached with this form. YES NO N/A

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

I further certify that the project continues as described in the original notice of intent. Also, I certify that I understand when coverage is terminated I am no longer authorized to emit regulated air emissions and discharge wastewater or storm water associated with industrial activity under this general permit. I understand that discharging pollutants associated with industrial activity to waters of the state without NPDES coverage is in violation of state law.

Re: **Wet Deck Log Spray General Permit Re-Coverage**
Double G Contracting, LLC
Permit No. MSG170050
Yazoo City, MS 39194
Yazoo County

Dear Ms. Williams:

Pursuant to your letter, we understand that the Wet Deck Log Spray General Permit for Industrial Activities (MSG17) was reissued on March 1, 2022. Double G Contracting, LLC has retained Environmental Compliance & Safety, Inc. to prepare the necessary forms for this re-coverage. Information regarding the facility name, contact, SIC code, latitude/longitude of the facility, and stormwater outfalls covered by this general permit has been updated and is provided in the re-coverage form found in Attachment I. Also, as required, Proof of Registration with the Mississippi Secretary of State is provided as Attachment II.

If you have any questions concerning the attached information, please feel free to contact me at (662) 840-5945 or Tom Crane of Double G Contracting, LLC at (601) 507-2195.

Sincerely,

Ethan Easterling
Project Manager
