MAJOR MODIFICATION FORM FOR MINING GENERAL PERMIT

Coverage No. MSR32 2 9 6 3 County Panola

INSTRUCTIONS

Coverage recipients shall notify the Mississippi Department of Environmental Quality of plans to expand the acreage or "footprint" of an existing mining activity or modify the existing mining operation. This form must be submitted when (check all that apply):

- SWPPP details have been developed and are ready for MDEQ review for subsequent phases of an existing, covered mining activity
- "Footprint" identified in the original MNOI is proposed to be enlarged (a modified SWPPP and an updated USGS topographic map must be submitted)
- Mine dewatering is proposed
- Mine dewatering has been discontinued
- Closed loop wash operations are proposed
- Closed loop wash operations have been discontinued

This form must be signed by the original coverage recipient under Mississippi's Mining General Permit. A different operator must have general permit coverage transferred prior to coverage being modified. Coverage recipients are authorized to discharge storm water associated with proposed expansions of dewater pits or operate a recirculation system with no discharge, under the conditions of the General Permit, **only upon receipt of written notification of approval by the MDEQ**. If mining activities change which will incorporate a hydraulic dredging operation or a discharge of process wastewaters to State waters additional permitting actions shall be required.

Dear Mr. Matheny:

Re: McGee Dirt Pit, Panola County
Application to Amend an Existing Permit
Mining Permit No. P22-013
Mining Stormwater Permit No. MSR322963

Enclosed is a completed application to amend the existing, referenced permit located in Panola County. It is currently being mined and would like to amend the permit to expand the operation. The current acreage is 16 acres, we plan to add 19 acres for a total of 35 acres.

We are processing the bond amendment and will send over the remaining items from the applicant's checklist once they have been completed.

Also enclosed is the completed major modification form for the referenced mining stormwater permit.

If you have any questions or need additional information, please feel free to call me at (601) 351-2011. Thank you for your assistance with this matter.

Sincerely,

Hamp Sterling, P.E.
