AIR NOTIFICATION OF CONSTRUCTION FORM HOT MIX ASPHALT GENERAL PERMIT (HMAGP) COVERAGE NUMBER MSR700111

Instructions: This form should be completed and submitted for the following construction milestones for both initial construction of a facility as well as a major modification to a facility (as defined in ACT 6, Condition T-15 of the general permit). The deadlines for submitting this form, as specified in ACT 3, Condition S-1 of the general permit, are as follows:

- **Part A – Notification of Start of Construction:** Within 15 days after beginning actual construction.
- **Part B – Notification of Completion of Construction:** Prior to startup of the facility or modified equipment.
- **Part C – Notification of Suspension of Construction:** Within 18 months of obtaining coverage or last performing a construction activity, whichever is later.

Parts A and B may be completed on the same form if both deadlines specified above can be met. Mark each section that applies.

Company Name: APAC- Mississippi, Inc. Facility Name: Durant Asphalt Plant
 Facility Street Address: 136 Industrial Park Road City: Durant County: Mississippi
 Contact Person: Brian Moore Phone No.: (601)-376-4000 Email: Brian.Moore@apac.com
 Mailing Address: P.O. Box 24508 City: Jackson State: MS Zip: 39225

PART A – NOTIFICATION OF START OF CONSTRUCTION

Construction / Major Modification of facility's air emissions sources began on: September 1st, 2022 (DATE)

PART B – NOTIFICATION OF COMPLETION OF CONSTRUCTION

Construction / Major Modification of facility's air emissions sources was completed on: June 12th 2023 (DATE)

PART C – NOTIFICATION OF SUSPENSION OF CONSTRUCTION

Construction / Major Modification of facility's air emissions sources was suspended on: _____ (DATE)

With this submittal, does the facility request a one-time 18-month extension of coverage: YES NO

**Note, if coverage has been extended once already, the facility must re-apply for new coverage or for the requested modification under the HMAGP.*

Based on my inquiry of the person or persons responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete.
