Manufacturer Name: \_\_\_\_\_ Model Number: \_\_\_\_\_

Capacity (tons/hour): \_\_\_\_\_ Fuel Type: \_\_\_\_\_

### IV. CERTIFICATION

**Note:** This NOI shall be signed according to Conditions T-17 and T-18 found in ACT 6 of the Dry Litter Poultry Animal Feeding Operations Multimedia General Pollution Control Permit No. MSG20.

- For a corporation, by a responsible corporate officer.
- For a partnership, by a general partner.
- For a sole proprietorship, by the proprietor.

I understand that my nutrient management plan identified Section II. D. expires five years from the date it was developed and that an updated nutrient management plan must be submitted to MDEQ prior to its expiration date.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

I further certify that the project continues as described in the original notice of intent. Also, I certify that I understand when coverage is terminated I am no longer authorized to operate activities identified under this general permit and to do so without proper permit coverage is in violation of state law.

RE: AI ID 19347  
MSG20?  
Dear Mr. McMillan;

Enclosed is the NOI for Chicken Hill Farm for David Goree, 3 houses. His MMP is good until March, 2018. It was sent in at the same time as his other farm, but has not received any information on either farm. This may have previously been under Neal and/or Virginia Goree. David is over both farms now, so they are putting both farms under his name.

Let me know if I can be of further assistance.

Sincerely,

Julie Bradford  
SCT, NRCS
