AGREED ORDER

COME NOW the Mississippi Commission on Environmental Quality (Commission), acting through the staff and Executive Director of the Mississippi Department of Environmental Quality (MDEQ), Complainant, and Drexel Chemical Company, Respondent, in the above captioned cause and agree as follows:

1.

By letter dated December 7, 2015 (titled "*Administrative Conference Letter*"), Respondent was contacted by Complainant and notified of the following violations documented during a Compliance Evaluation Inspection (CEI) conducted on June 30, 2015 at its facility located at Tunica Industrial Park, Tunica, Mississippi in Tunica County:

- A. Respondent failed to maintain an up-to-date Storm Water Pollution Prevention Plan (SWPPP) at the facility and to submit any revisions of the SWPPP to Complainant as required by Condition T-14 within NPDES Permit No. MS0037261;

- B. Respondent failed to adequately monitor the “*Chemical Oxygen Demand*” during the second quarter of 2012 as required by Conditions L-3 and T-17 of NPDES Permit No. MS0037261;
- C. Respondent failed to adhere to the effluent limitations promulgated for Outfall 004 within Condition T-15 of NPDES Permit No. MS0037261 by allowing an unpermitted waste water stream to co-mingle with storm water and discharge through Outfall 004;
- D. Respondent failed to develop and implement adequate best management practices (BMPs) in order to minimize the potential contamination of storm water and prevent contaminated storm water from migrating off-site as required by Condition T-14 within NPDES Permit No. MS0037261.

2.

In lieu of a formal enforcement hearing concerning the violation listed above, Complainant and Respondent agree to settle this matter as follows:

- A. Respondent agrees to pay and Complainant agrees to accept a civil penalty in the amount of \$12,000.00. Respondent shall pay this penalty to MDEQ within forty-five (45) days after this Agreed Order has been executed by the MDEQ Executive Director. The settlement payment shall be submitted to:
  - Mississippi Department of Environmental Quality
  - Attn: Ms. Jennifer Parish
  - P.O. Box 2339
  - Jackson, MS 39225

By letter dated February 11, 2016, Respondent has detailed actions taken and practices implemented to correct alleged non-compliance.

3.

Nothing in this Agreed Order shall limit the rights of MDEQ or the Commission in the event Respondent fails to comply with this Agreed Order. The Agreed Order shall be strictly construed to apply to those matters expressly resolved herein.

4.

Nothing contained in this Agreed Order shall limit the rights of MDEQ or the Commission to take enforcement or other actions against Respondent for violations not addressed herein and for future violations of environmental laws, rules, and regulations.

5.

Respondent understands and acknowledges that it is entitled to an evidentiary hearing before the Commission pursuant to Miss. Code Ann. § 49-17-31, and that it has made an informed waiver of that right.

ORDERED, this the 19<sup>th</sup> day of July, 2016.
