Dear Ms. Rudolph:

Pursuant to the letter from the Mississippi Department of Environmental Quality (MDEQ) dated December 29, 2020, we understand that the Industrial Storm Water General Permit for Industrial Activities (MSR00) was reissued on December 10, 2020. Mississippi Polymers, Inc. (Mississippi Polymers) is enclosing a completed *Industrial Storm Water General Permit Re-Coverage Form* and requests that an updated Certificate of Permit Coverage be issued.

Please note that we intend to update Mississippi Polymers' Storm Water Pollution Prevention Plan (SWPPP) to reflect the new requirements of the General Permit. Per the instructions provided for re-coverage, we understand that these updates do not need to be submitted to MDEQ as long as the SWPPP is current and effective in controlling storm water pollutants.
