

INDUSTRIAL STORMWATER GENERAL PERMIT

RECEIVED RE-COVERAGE FORM

FOR COVERAGE UNDER MISSISSIPPI'S REISSUED
INDUSTRIAL STORMWATER GENERAL PERMIT MSR00
MAR 8 2021 GENERAL NPDES COVERAGE NO. MSR00 1 5 8 2

MDEQ

INSTRUCTIONS

The submittal of this form is required to receive coverage under the reissued Industrial Stormwater General Permit. This form must be completed and returned to the address printed at the bottom of page 2.

The signatory of this form must be the owner or operator who is the current coverage recipient (rather than the plant/site manager or environmental consultant). The coverage recipient is responsible for permit compliance.

Amendments to the Storm Water Pollution Prevention Plan (SWPPP) are required to be attached if the plan is not current or is ineffective in controlling storm water pollutants.

If the facility is out of business or no longer a regulated facility, please request termination of coverage by completing the Request for Termination (RFT) Form found in the Industrial Stormwater Forms Package. Facilities that continue to discharge wastewater without applicable permit coverage are in violation of state law.

Do not submit this form if submitting a "Request for Termination" (RFT).

Do not submit this form if submitting a "No Exposure Certification."

ALL INFORMATION MUST BE COMPLETED (Enter "NA" if not applicable).

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

I further certify that I understand when coverage is terminated the facility is no longer authorized to discharge storm water associated with industrial activity under this general permit. I understand that discharging pollutants in storm water associated with industrial activity to waters of the state without NPDES coverage is in violation of state law.

RE: **Industrial Stormwater General Permit Re-Coverage Form**
General Permit Coverage No. MSR001582 and MSR001583
East Site and West Site
Viking Range LLC, Greenwood, Mississippi

Dear Chief:

In reference to the captioned subject matter, I am pleased to provide you with the enclosed Industrial Stormwater General Permit Re-Coverage Forms for the West Site (Ventilation) Permit No. MSR001582 and the East Site (Cooking and Refrigeration) Permit No. MSR001583, Viking Range LLC, Leflore County, Greenwood, Mississippi.

Each facility maintains a Storm Water Pollution Prevention Plan (SWPPP) on site as required under their respective facility permits.

Please review the attached forms and contact me should you require additional information at 662-352-5007 or our consultant, E. Corbin McGriff, Ph.D., P.E., Senior Project Engineer, **Southern Environmental Management & Specialties, Inc. (SEMS)** at (601) 922-0766.

Thank you for the opportunity to present you with the attached renewal forms and I am looking forward to receiving our reissued Industrial Stormwater General Permits.

Sincerely,

Viking Range LLC
