# HYDROSTATIC TEST NOTICE OF INTENT (HTNOI)

# FOR COVERAGE UNDER MISSISSIPPI'S HYDROSTATIC TEST GENERAL PERMIT GENERAL PERMIT MSG13 Q 5 7 Q

(Number to be assigned by MDEQ)

#### INSTRUCTIONS

The Hydrostatic Test Notice of Intent (HTNOI) is for coverage under the Hydrostatic Test General Permit to discharge hydrostatic test water. Applicant must be the owner or operator. The coverage recipient is responsible for compliance with the conditions of the general permit.

Completed HTNOIs should be filed at least thirty (30) days prior to the commencement of regulated activity. <u>Discharge of hydrostatic test</u> water without written notification of coverage is a violation of state law.

If the company seeking coverage is a corporation, a limited liability company, a partnership, or a business trust, attach proof of its registration with the Mississippi Secretary of State and /or its Certificate of Good Standing. This registration or Certificate of Good Standing must be dated within twelve (12) months of the date of the submittal of this coverage form. Coverage will be issued in the company name as it is registered with the Mississippi Secretary of State.

IF REGULATED LAND DISTURBING ACTIVITIES ARE TO OCCUR, LIST ACRES DISTURBED:

NOTE: If disturbing five (5) acres or more, a stormwater construction coverage is required.

A USGS quadrangle map or copy is a required submittal. The map shall extend at least one-half of a mile beyond the facility/project property boundary. In the case of linear pipeline projects the map shall extend at least one-half of a mile beyond the pipeline right-of-way. The site location and outfalls must be outlined and labeled. Quad maps can be obtained from the Office of Geology (601-961-5523). If a copy is submitted, provide the name of the quadrangle map that is found in upper right hand corner.

Additional submittals may include the following:

- Labeled site drawing noting the outfall(s) associated with hydrostatic test water discharge(s)
- · List of chemical Additives,
- Appropriate Section 404 documentation from U.S. Army Corps of Engineers, or
- Written authorization from the MDEQ, Office of Land and Water, if water withdrawal from surface waters or ground waters is to be used for the testing. For information call the Office of Land and Water at 601/961-5202

Hydrostatic Test Notice of Intent Texas Gas Transmission, LLC

PN 12122 MLS 36-1 and PN 12123 MLS 30-1

Coahoma County, Mississippi Providence Project No. 196-519

#### To Whom It May Concern:

Texas Gas Transmission, LLC (Texas Gas) is submitting this Hydrostatic Test Notice of Intent (HTNOI) requesting authorization for a discharge of hydrostatic test water from their existing 30" and 36"-diameter pipelines in Coahoma County, Mississippi. The volume of water used will be approximately 2,500,000 gallons sourced from Lake Mackie. The 36" pipeline will be tested first using the entire 2,500,000 gallons. Upon completion of the 36" pipeline test approximately 1,750,000 gallons will be transferred to the 30" pipe and the remaining 750,000 gallons will be discharged over approximately 24 hours. Upon completion of the 30" pipeline test the 1,750,000 gallons will be discharged over approximately 48 hours. All water will be discharged at a rate of approximately 500 gallons-per-minute into a haybale structure on an adjacent agricultural field.

Please find attached a topographic map showing the discharge location (**Figure 1**) and the HTNOI general permit forms and requisite supporting information (**Attachment A**). Texas Gas respectfully requests that your office review the attached form and provide the requisite clearance for this activity. If you have any questions, please contact Marc Hess at (713) 479-8081 or <a href="marc.hess@bwpipelines.com">marc.hess@bwpipelines.com</a> or <a href="marc.hess@bwpipelines.com">reginastaten@providenceeng.com</a> or at (225) 766-7400.

Sincerely.

Texas Gas Transmission, LLC
