MAJOR MODIFICATION FORM FOR LARGE CONSTRUCTION GENERAL PERMIT Coverage No. MSR10 3250 County Desoto

INSTRUCTIONS

Coverage recipients shall notify the Mississippi Department of Environmental Quality at least 30 days in advance of the following activities (check all that apply): This form should be submitted with a modified Storm Water Pollution Prevention Plan (SWPPP), updated USGS topographic map, Corps of Engineers Section 404 documentation and wastewater collection and treatment information, as appropriate.

- SWPPP details have been developed and are ready for MDEQ review for subsequent phases of an existing, covered project.
"Footprint" identified in the original LCNOI is proposed to be enlarged.

This form must be signed by the current coverage recipient under Mississippi's Large Construction General Permit. A different developer of new phases of existing subdivisions must apply for separate permit coverage through the submittal of a new complete LCNOI package. Coverage recipients are authorized to discharge storm water associated with proposed expansions of existing subdivisions or subsequent phases, under the conditions of the General Permit, only upon receipt of written notification of approval by MDEQ. All other modifications, such as changes of erosion and sediment controls used, must be in accordance with ACT6, S-1 (6) and S-2 (7) of the General Permit.

ALL INFORMATION MUST BE COMPLETED (indicate "N/A" where not applicable)

COVERAGE RECIPIENT INFORMATION

Coverage recipient contact information including name (Keith Williams), company (Pleasant Hill Canals Development Co), address (3606 Brookforth Rd, Olive Branch, MS 38654), and email (keithgwilliams1@gmail.com).

PROJECT INFORMATION

Project information including name (Robinson Crossing Subdivision), city (Olive Branch), and acreage (7.32).

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted.

Signature and printed name of Keith Williams, coverage recipient.

Date (5-29-23) and Title (MANAGER).

Please submit this form to: Chief, Environmental Permits Division, MS Department of Environmental Quality, Office of Pollution Control, P.O. Box 2261, Jackson, Mississippi 39225

Re: Storm Water Pollution Prevention Modification for Robinson Crossing Development

Dear Permits Division Director:

I was reviewing the permit for Robinson Crossing Subdivision in DeSoto County and noticed my latest permit has expired. I need to modify the permit to add 7.32 acres to the project and up date the original permit to cover the development. If you have any questions, please let me know.

Sincerely:

Joseph F. Lauderdale P.E.
