

RE-COVERAGE FORM

MINING STORM WATER, DEWATERING AND NO DISCHARGE GENERAL PERMIT

GENERAL PERMIT: MSR32 O 2 7 2. This coverage number must be completed for the referenced mining activity or this form will be considered incomplete and will be returned. The coverage number can be found at the bottom left corner of your previous Certificate of Coverage.

The submitted of this form :	
Discharge General I Chill.	receive coverage under the reissued Mining Storm Water, Dewatering orm must be completed and returned to MDEQ at the address printed the date of the Letter of Instruction for Re-Coverage.
Please indicate the activities to be covered by	by this Re-Coverage Form (check all that apply).
Storm Water Discharges Associated w	rith Mining Mine Dewatering
Wastewater Recirculation System with	n No Discharge
system with no discharge and/	st be completed if the applicant proposes to operate a wastewater or discharge impounded mine water (dewatering).
If the company seeking coverage is a corpor	ration, a limited liability company, a partnership, or a business trust,
Take registration of Certificate of Good Star	sissippi Secretary of State and/or its Certificate of Good Standing. nding must be dated within twelve (12) months of the date of the
Submitted of this coverage form. Coverage v	will be issued in the company name as it is registered with the
Mississippi Secretary of State.	STATE OF THE STATE
ALL INFORMATION MUST F	BE COMPLETED (indicate "N/A" where not applicable)
