RE-COVERAGE FORM

MINING STORM WATER, DEWATERING AND NO DISCHARGE GENERAL PERMIT

GENERAL PERMIT: MSR32 0 0 1 0. This coverage number must be completed for the referenced mining activity or this form will be considered incomplete and will be returned. The coverage number can be found at the bottom left corner of your previous Certificate of Coverage.

The submittal of this form is required to receive coverage under the reissued Mining Storm Water, Dewatering and No Discharge General Permit. This form must be completed and returned to MDEQ at the address printed

at the bottom of this form within 30 days	
Please indicate the activities to be covere	d by this Re-Coverage Form (check all that apply).
✓ Storm Water Discharges Associated	d with Mining Mine Dewatering
Wastewater Recirculation System v	vith No Discharge
	must be completed if the applicant proposes to operate a wastewater nd/or discharge impounded mine water (dewatering).
attach proof of its registration with the M This registration or Certificate of Good S	poration, a limited liability company, a partnership, or a business trust, dississippi Secretary of State and/or its Certificate of Good Standing. Standing must be dated within twelve (12) months of the date of the ge will be issued in the company name as it is registered with the
