## Materials Found During Site Visit and VIA Management Plan

Window Glazing  
Pipe Insulation

ACM, Inc. has proposed to Demolish the Gymnasium and Haul as Asbestos Containing waste a 10 Foot perimeter Inside and Outside of each window in lined Trucks and Trailers. Pipe Insulation will be handled as Found in the same manner. A constant water mister will be on-site and operational during working Hrs. and a site fence will be in place. Steel will be salvaged for Recycling and Concrete, and Brick will also be salvaged for Reuse.

Charles W Anderson Jr - President
