Latitude: degrees minutes seconds Longitude: degrees minutes seconds
 Nearest named waterbody which storm water will enter:

Provide the coordinates of Outfall 003: ☐ N/A

Latitude: degrees minutes seconds Longitude: degrees minutes seconds
 Nearest named waterbody which storm water will enter:

Are there any discharges of storm water exposed to industrial activities or allowable non-storm water discharges which do not drain to and discharge from a WDLS recirculation pond? ☐ YES ☒ NO

If yes, a SWPPP is required to be submitted to address this industrial stormwater. The SWPPP is maintained on site and a copy is attached with this form. ☐ YES ☐ NO ☒ N/A

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

I further certify that the project continues as described in the original notice of intent. Also, I certify that I understand when coverage is terminated I am no longer authorized to emit regulated air emissions and discharge wastewater or storm water associated with industrial activity under this general permit. I understand that discharging pollutants associated with industrial activity to waters of the state without NPDES coverage is in violation of state law.

WET DECK LOG SPRAY GENERAL PERMIT (WDLSPG) NOTICE OF INTENT (NOI)

INSTRUCTIONS

All questions must be answered for this NOI to be considered complete. If an item does not apply, enter "N/A" for not applicable to show that you considered the question.

The applicant must be the owner and/or operator of the property (i.e., the legal entity that controls the facility's operation, rather than the plant/site manager or environmental consultant).

Registration with Mississippi Secretary of State: If the company seeking coverage is a corporation, a limited liability company, a partnership, or a business trust, attach proof of registration with the Mississippi Secretary of State and/or the Certificate of Good Standing (official or unofficial copy). This registration or Certificate of Good Standing must be dated within 12 months of the date of the submittal of this coverage form. Coverage will be issued in the company name as it is registered with the Mississippi Secretary of State.

Submittal Requirements: For coverage under this general permit, this form must be completed and returned to MDEQ **at least 30 days** prior to the commencement of the regulated activity. For other NOI submittal deadlines see Condition S-1 of ACT 2, of the WDLSPG. All forms must be submitted online at www.mdeq.ms.gov/wdlsdp or via hard copy to:

Water II Branch Manager, Environmental Permits Division
Mississippi Department of Environmental Quality
PO Box 2261
Jackson, MS 39225-2261

Storm Water from Industrial Activities and the Storm Water Pollution Prevention Plan (SWPPP): In accordance with ACT 5 of the WDLSPG a SWPPP is required to be developed for discharges of storm water exposed to industrial activities and allowable non-storm water discharges identified in ACT 1, T-2(6), that do not drain to and discharge from the WDLS recirculation pond. The SWPPP must be submitted with the NOI. If an electronic copy is submitted, a hard copy must also be mailed to the address above for MDEQ's files.

Storm Water from Construction Activities: Construction activities including clearing, excavating, and other land disturbing activities equal to or greater than one (1) acre but less than five (5) acres require compliance with the Small Construction General Permit and completion of a Small Construction Notice of Intent (SCNOI). Construction activities equal to or greater than five (5) acres require compliance with the Large Construction General Permit and submittal of a Large Construction Notice of Intent (LCNOI). These General Permits, NOIs, and other required forms can be found at the following link: www.mdeq.ms.gov/generalpermits/.
