*If "yes," does the total acreage of the construction activities equal or exceed 5.0 acres? YES NO

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

I further certify that the project continues as described in the original notice of intent. Also, I certify that I understand when coverage is terminated I am no longer authorized to emit regulated air emissions and discharge wastewater or storm water associated with industrial activity under this general permit. I understand that discharging pollutants associated with industrial activity to waters of the state without NPDES coverage is in violation of state law.

READY-MIX CONCRETE GENERAL PERMIT (RMCGP) RECOVERAGE FORM

INSTRUCTIONS

All questions must be answered for this Recoverage Form to be considered complete. If an item does not apply, enter "N/A" for not applicable to show that you considered the question. Additional instructions for the Recoverage Form are also available online at www.mdeq.ms.gov/rmcgcp.

The applicant must be the owner and/or operator of the property (i.e., the legal entity that controls the facility's operation, rather than the plant/site manager or environmental consultant).

Registration with Mississippi Secretary of State: If the company seeking coverage is a corporation, a limited liability company, a partnership, or a business trust, attach proof of registration with the Mississippi Secretary of State and/or the Certificate of Good Standing (official or unofficial copy). This registration or Certificate of Good Standing must be dated within 12 months of the date of the submittal of this coverage form. Coverage will be issued in the company name as it is registered with the Mississippi Secretary of State.

Submittal Requirements: For recoverage under this general permit, this form must be completed and returned to MDEQ **within 60 days** of the date of the Letter of Instruction for Recoverage. For other NOI submittal deadlines see Condition S-1 of ACT 2, of the RMCGP. All forms must be submitted online at www.mdeq.ms.gov/rmcgcp or via hard copy to:

Water II Branch Manager, Environmental Permits Division
Mississippi Department of Environmental Quality
PO Box 2261
Jackson, MS 39225-2261

Storm Water Pollution Prevention Plan (SWPPP): If the facility's SWPPP is not current or is ineffective in controlling storm water pollutants, then an amended SWPPP must be submitted with the Recoverage Form. If an electronic copy is submitted, a hard copy should also be mailed to the address above for MDEQ's files.

Notice of Termination: If the facility is out of business or no longer active, please request termination of coverage by completing the Notice of Termination (NOT) Form found at www.mdeq.ms.gov/rmcgcp. Facilities that continue to discharge wastewater and/or operate air emissions equipment without applicable permit coverage are in violation of state law. This Recoverage Form is not required to be submitted if the facility is submitting a request for termination of coverage.

Storm Water from Construction Activities: If the previous coverage included regulated construction activities which need to be continued, then an appropriate Storm Water Construction Notice of Intent must be completed and, if applicable, submitted to MDEQ with this Recoverage Form. Construction activities including clearing, excavating, and other land disturbing activities equal to or greater than one (1) acre but less than five (5) acres require compliance with the Small Construction General Permit and completion of a Small Construction Notice of Intent (SCNOI). Construction activities equal to or greater than five (5) acres require compliance with the Large Construction General Permit and submittal of a Large Construction Notice of Intent (LCNOI). These General Permits, NOIs, and other required forms can be found at the following link: www.mdeq.ms.gov/generalpermits/.
