MISSISSIPPI DEPARTMENT OF ENVIRONMENTAL QUALITY

# BASELINE STORM WATER GENERAL PERMIT RE-COVERAGE FORM

The submittal of this form is required to continue coverage under Mississippi's Reissued Baseline Storm Water General Permit MSR00

**COVERAGE NUMBER: MSR00 1163.** This coverage number must be completed for your specific project or this form will be considered incomplete and returned. The coverage number can be found at the bottom left corner of the Certificate of Coverage and at the top right corner of the Letter of Instruction for Re-Coverage.

## INSTRUCTIONS

The submittal of this form is required to receive coverage under the reissued Baseline General Permit. This form must be completed and returned to the address printed at the bottom of page 2 within 30 days of the date of the Letter of Instruction for Re-Coverage.

Amendments are required to be attached to this form if the Storm Water Pollution Prevention Plan (SWPPP) is not current or is ineffective in controlling storm water pollutants.

The applicant must be the owner or operator (legal entity that controls the facility's operation, rather than the plant/site manager or environmental consultant). The owner or operator that receives coverage is responsible for permit compliance.

Do not submit this form if submitting a "No Exposure Certification".

Do not submit this form if submitting a "Request for Termination" (RFT).

**ALL INFORMATION MUST BE COMPLETED** (Enter "NA" if not applicable).

The Certificate of Coverage should be mailed to:  owner/operator  facility (please check one)

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information.

I further certify that I understand when coverage is terminated the facility is no longer authorized to discharge storm water associated with industrial activity under this general permit. I understand that discharging pollutants in storm water associated with industrial activity to waters of the state without NPDES coverage is in violation of state law.
