Ref. No. MSR104548
Lownders County

Please find enclosed the required Re-coverage form allow the Kinder Morgan, Columbus LLC terminal to continue the large construction storm water general permit (MSR10) until December 31, 2015. Kinder Morgan received a letter advising that the permit had been administratively extended, but the Re-coverage form would be necessary to allow the project to remain covered under a valid permit.

Kinder Morgan is aware of the new permit contains changes that reflect new national standards as well as implements consistency with EPA permitting requirements. Where they apply, the SWPPP will be amended to reflect these new permit conditions. There has been no change in the ownership or the name of the project.

Thank you for your time and consideration. Should you have any questions, please call me at 662-327-7496.

Sincerely,
